

Bridal Makeup Trials

Trial makeup sessions are done on-location wherever you're most comfortable! Do you have skin issues or hair questions? We want to hear your concerns and Thoughts! All of our artists/stylists are fully knowledgeable in helping you get wedding-day- ready skin and hair! In a two hour trial session, we will discuss your ideas for your perfect bridal style or look, and work with you to make it happen! After your trial session, if you haven't yet secured your wedding date you may email Emily *contact info below* to receive and fill out the bridal contract. You will then be invoiced via email for 50% of the total services rendered (non-refundable security deposit). Payment for your trial is cash or check only , kindly paid directly to your artist/stylist.
